Verse 2:
 I didn't know that
 It was so cold and
 You needed someone
 To show you the way.
 So I took your hand
 And we figured out that
 When the tide comes
 I'd take you away.
 (To Chorus:)

Verse 3:
 I'm sinking slowly.
 So, hurry, hold me.
 Your hand is all I have
 To keep me hanging on.
 Please can you tell me,
 So I can finally see
 Where you go when you're gone.
 (To Chorus:)
